

# 5<sup>th</sup> Annual Wellbeing Cruise

January 18 - 21, 2019

Preparations for our 5<sup>th</sup> Annual Wellbeing Cruise are underway and we're excited to announce this year we will be sailing with Royal Caribbean. Our voyage aboard the *Enchantment of the Seas* will take us from Port Canaveral to Nassau and Coco Cay in the Bahamas.

Spend your mornings connecting with fellow physicians and advanced practice providers during engaging presentations while your afternoons remain free for on-shore excursions, quality time with your family, or unwinding by the pool.

**Open to physicians and advanced practice providers.**

Families welcome!
